

AMERICANS ABROAD IN RED CROSS WORK

United States Citizens Far Away
Enthusiastic Members of the
"Fourteenth" Division.

Among the most enthusiastic and energetic members of the American Red Cross are those citizens of the United States who live outside the continental boundaries of their country—sons and daughters of the Stars and Stripes residing at the far corners of the earth.

These people compose the Insular and Foreign Division of the parent organization, generally known as the "Fourteenth" Division, which has jurisdiction of all territory outside the country proper; that is, Alaska, Porto Rico, Hawaii, Virgin Islands, the Philippines, Guam, and even the island of Yap, which came under our flag as a result of the world war. For the year 1920 this division reported 30,508 paid up members.

The main object of this division is to give our citizens everywhere the opportunity to participate in the work of the organization which stands for the best national ideals. Americans in far places intensely loyal and patriotic, treasure their membership in the Red Cross as the outward expression of their citizenship. It is another tie to the homeland and to each other. There are chapters of this division in Argentina, Bolivia, Brazil, Canal zone, Chile, China, Costa Rica, Cuba, Dominican Republic, Ecuador, England, France, Guam, Guatemala, Haiti, Hawaii, Honduras, Japan, Manchuria, Netherlands, Nicaragua, Paraguay, Peru, Philippines, Porto Rico, Siberia, Spain, Sweden, Switzerland, Syria, Turkey, Uruguay, Venezuela and Virgin Islands.

During the war these scattered members of the Red Cross contributed millions in money, and millions of dollars' worth of necessary articles for the men in service, and sent many doctors and nurses to France. At the same time they carried on an excellent home service in their respective communities for the families of those who had gone to war, and in some regions gave large sums of money and immeasurable personal service to the relief of disaster and disease victims.

The division is now establishing service clubs in foreign ports for the benefit of sailors in the American Merchant Marine, making plans to aid Americans in trouble in foreign lands and completing arrangements for giving immediate adequate relief in case of disaster.

It is the Fourteenth Division's part in the great Peace Time program of the American Red Cross.

RED CROSS ASSISTS DISABLED VETERANS

The American Red Cross is carrying on a wide program of service for the disabled World War veterans receiving treatment in United States Public Health hospitals, and those being trained through agencies of the Federal Board for Vocational Education.

In each of the Public Health Service hospitals Red Cross workers devote their time to the general welfare of the service men from the day they enter the receiving ward until they are discharged. After the soldier's discharge the Red Cross continues its friendly service through the Home Service Section in his own community.

The Red Cross maintains a convalescent house at all of the hospitals, where patients can amuse themselves after they are well enough to be up and around. Parties and picture shows in the wards are also furnished, with occasional excursions when convalescence comes.

Great service has been rendered by the Red Cross in mental cases in identifying those who have appeared in state hospitals for the insane, and helping them secure compensation due from the Bureau of War Risk Insurance.

In the Federal Board's various district offices the Red Cross worker, acting with the Home Service Section, makes necessary loans to the men, arranges suitable living conditions, helps collect evidence and supply facts to the Board, assists in "appealing cases" and settles various personal difficulties for the men. The workers also follow up and aid all men who discontinue training.

The Red Cross agents find men "lost" to the Board, help clear up delayed cases and aid the college counselors in their friendly work with the men. Many Red Cross chapters have set up recreation facilities, and in some instances living clubs, so these victims of war may have attractive surroundings and the fun which must go with effective school work.

To the American Red Cross Institute for the Blind near Baltimore, Md., more than half of all the Americans blinded in the World War have come for training. The Institute, through the Red Cross, long ago conducted an exhaustive industrial survey to determine the vocations for which blind men could be fitted. As a result it is putting forth well trained men equipped to meet the social, civic and economic requirements of their respective communities.

Aid for Spanish Red Cross.
The Iberian chapter of the American Red Cross, composed of Americans resident in Spain, has just contributed \$480 to a fund being raised by the Spanish Red Cross and the League of Red Cross Societies for the purpose of fighting malaria.

PLANT THOUSANDS FISH IN NORTHERN ARIZONA

HOLBROOK, Ariz., Aug. 30.—W. H. Larson, deputy game warden, was in Holbrook Thursday to receive a large consignment of fish that the government sent here to stock the lakes and rivers of this section of the state. In all the shipments included about 30,000 rainbow and brook trout.

The fish will be distributed at the headwaters of the Blue, Black and Little Colorado rivers, near Springerville and other places, as well as in the White river and tributaries near Lakeside. Mr. Larson states that some of the trout attain the weight of about 15 pounds in the section near Lakeside.

Joe V. Prochaska, state game warden, was also here to take charge of the shipment. A more detailed statement of the distribution of the fish follows: Four thousand at Silver

creek; 2,000 at Campbell's ranch, about Eagar, in the Little Colorado river; 2,000 near Greer in the Little Colorado; 2,000 mountain trout in Diamond creek; 4,000 in Paradise creek; 4,000 in White River at the crossing on the way to Paradise; 2,000 in Trout creek below the sawmill; 1,500 on the East Fork of the White river.

The rainbow trout will be distributed as follows: Fifteen hundred at Interior sawmill and 1,500 at the White River agency.

The black bass and catfish ordered for the lakes in this section will arrive about October 1st. Forty-five thousand fish went through Holbrook Thursday to be planted in the Salt river and the Catalina mountains. The entire lot of trout came from Colorado.

Never Say Die

"Doesn't the high cost of living discourage you?"

"Not at all," replied the energetic citizen. "It worried me at first, but I have decided to go right on living, regardless of the expense."—Washington Star.

Gentlemen:

It is with a great deal of pleasure that I learn of Mr. Norton's candidacy for United States Senator, and I sincerely hope that all the cow-men in Arizona will get behind Mr. Norton and see that he is elected by a big majority.

Knowing as I do the great interest that he will take in our affairs, I earnestly trust that all will do their part in the election of Mr. Norton. You can call upon me for a donation for expenses.

Yours respectfully,
